Dear Dr Drupadi ji and family

The sudden & untimely demise of Dr.H.S Dillon has come with a sense of deep sorrow & grief not only to me but also millions of Sikhs around the world. I had the opportunity to personally interact with him during the Global Sikh Council conference at Jakarta in March this year. I found him a kind & noble intellectual & farsighted thinker. I found him a truly humble and inspiring person.

Dr. Dillon as an Indonesian stalwart was a role model not only to his country but also the world at large. His contribution towards development of Indonesia & well- being of mankind will always be remembered.

On behalf of the Global Sikh Council & Sikhs spread across the world please accept our heartfelt condolences. We pray to the almighty for blessing his noble soul & giving strength to the family for bearing this tragic loss

With best wishes
