Dear S Surender Singh Kandhari and Mrs Bubbles Kandhari

Please accept our heartiest congratulations on achieving the Guinness World Record title for 'Most Nationalities Having a Continental Breakfast' on 13 April 2017. The Gurdwara Nanak Darbar was successful in feeding breakfast to 101 nationalities.

We are delighted that you practiced Guru Gobind Singh's teachings of 'there is only one race and that is of human beings', and were able to invite people from very diverse backgrounds in terms of political backgrounds, social status, ethnicity and religious adherence.

You had dignitaries and diplomats at the Breakfast from a wide range of countries such as Australia, Canada, Chile, Fiji, India, Mexico, Philippines, Serbia, Switzerland, Sri Lanka, Turkey, United Kingdom, United States of America, Peru, Vietnam, Romania, Kenya and of course from the UAE. This bringing of people from diverse backgrounds does a lot to improve community cohesion.

More than 600 men, women and children present on the event showcased positive values of equality of all people, which is at the core of Sikh Teachings.

Warm regards and best wishes for the future events.
