Re: Anand Karaj Act

We at Global Sikh Council are delighted at the passing of 'The Punjab Anand Karaj Act' and heartily congratulate you on your hard work. Your efforts are highly appreciated by the world wide Sikh community. As a result, of your dedication and commitment the Sikh marriage ceremony called the Anand Karaj is now legally recognised in Pakistan. It is a historic moment with Pakistan being the first country in the world to allow Sikh men and women to marry according to Sikh practice.

What you have done was not easy- going to different political party members and explaining the importance of this Act to Sikhs.

The Global Sikh Council members missed you in their Annual General Meeting held in Dubai, but fully understood the important reasons for your absence. In my personal capacity, would also like to thank you for persevering to achieve this important goal.

May Waheguru bless you with the health and energy to continue your excellent work.

Warm regards
